Product Bulletin

AQUA GLOSS™

Product Description:

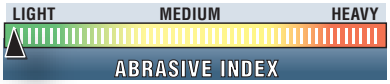
High gloss liquid polymer is designed for use on wet exterior automotive surfaces. Creates a quick water breaking action that reduces drying time and eliminates water spotting. Leaves a lasting, high gloss shine as you dry your vehicle. Requires no intensive rubbing or buffing. Contains no cleaners. Excellent results on all types of painted, plastic, chrome and glass surfaces. Safe for rubber side molding and trim. VOC COMPLIANT.

Product Details:

Ready To Use
VOC Compliant
NPE Free
Phosphate Free
pH: 7.3
Color: Blue
Fragrance: Orange

Packaging:

Quart: P-81-Q



Features & Benefits:

Express Liquid Polymer
Quick Water Breaking Action Reduces Drying Time & Eliminates Water Spots
Enhances Finish on Wet Exterior Surfaces
Creates a Protective, Deep, High Gloss Shine During Drying
Easy To Use - Spray On - Wipe Off Formula

Application:

Shake well before using. Read label before use. See SDS for more information.

Spraying: For best results, wash vehicle exterior using PRO® C-60 Super Car Wash and leave surface wet. Using a trigger sprayer, apply Aqua Gloss™ by misting or fogging directly onto wet exterior surfaces. Wipe down treated surfaces with a clean, damp chamois or microfiber towel. Use a clean, dry microfiber towel to buff surface to a high gloss. Leaves a rich, high gloss shine.

Wiping: Spray onto micro fiber towel or wax applicator and then apply to surface, spreading product evenly and wiping with light pressure. As product dries, use another clean micro fiber towel to wipe the surface. Turn towel regularly and hand polish to a high gloss, wet look finish.

Helpful Tips:

Keep from freezing (32 ºF/0 ºC). Product separates by design. Do not apply in direct sunlight or onto a hot surface. Do not apply to white oxidized finishes as staining may occur.

Safety Data Sheet:

GHS Compliant. SDS can be found online at www.prowax.com.
