

S-44 LEATHER LOTION™

Rich, creamy conditioner and preservative with natural moisturizers to help restore and conserve automotive leather interiors. Unique non-silicone formula penetrates easily into wet or dry leather to bond with fibers. Keeps leather feeling soft and smooth. UV resistant. Leather fragrance. VOC COMPLIANT.

Sizes: Pint, quart and gallon

S-95 NON-SILICONE RUBBER DRESSING

All-purpose, water base rubber dressing specially formulated for body shops to restore the new car look to rubber, vinyl and plastic. Eliminates fish-eye & hazardous material problems. Bubble gum fragrance. CONTAINS NO SILICONES OR PETROLEUM DISTILLATES. BODY SHOP SAFE. VOC COMPLIANT.

Sizes: 1, 5 and 55 gallon

S-92 PREMO™ DRESSING

Premium, high gloss vinyl and rubber dressing. A rich, water base conditioner that softens and renews faded surfaces of vinyl, rubber and plastic. May be diluted 1:1 with water for less gloss. UV resistant. Cherry vanilla fragrance. VOC COMPLIANT.

Sizes: 22 oz. bottle w/sprayer, 1, 5 and 55 gallon

S-99 GLOSSO™ DRESSING

High gloss dressing performs like a solvent style dressing without any dangerous or environmental drawbacks. It can be used on interiors and exteriors with excellent results. Sprays on clear with no milky residue. Bubble gum fragrance. UV resistant. VOC COMPLIANT.

Sizes: 1, 5 and 55 gallon
