

ABB-600 BLACK BUMPER PAINT

Uniquely formulated aerosol that restores faded rubber & plastic bumpers and trim pieces to their original look. Flex agent prevents cracking. VOC COMPLIANT.

Size: Net Wt. 11 oz.

4711-5 BLACK LACQUER ENGINE PAINT CONCENTRATE

This high quality, concentrated (2:1) engine lacquer restores the factory, semi-gloss look to engine compartments, components, fender wells and undercarriages. The fast-drying formula provides excellent coverage and adhesion to all pre-cleaned metal and rubber surfaces. Dilute up to 2:1 with lacquer thinner to produce a very cost effective black lacquer paint. Apply with any conventional spray equipment.

Size: 5 gallon

AEROSOL ENGINE PAINT

Burford's® touch-up engine paints are a fast drying, lacquer paint with excellent adhesion to all clean metal surfaces. No better aerosol engine paint on the market. VOC COMPLIANT.
