

TIRE/WHEEL CLEANERS

9

C-24 PRO® POWER™ ACID CLEANER

Powerful, concentrated (10:1) acid base formula removes surface rust, brake dust, grease and road grime without scrubbing. Use on wire wheels, chrome, metal and stainless steel. Spray on, hose off! NOT FOR USE ON ALUMINUM OR MAGNESIUM WHEELS. VOC COMPLIANT.

Sizes: 1, 5 and 55 gallon

C-41 NON-ACID WHEEL CLEANER

Quickly and easily removes brake dust, metallic particulates, dirt, oil, grease and other surface contaminants from all types of OEM (Original Equipment Manufacturer) wheels. Simply spray on and rinse off. The ready to use, non-acid/non-caustic formula safely cleans painted and/or clear coated aluminum, powder coated, mags, chrome and wire wheels as well as plastic hubcaps. Also cleans tires and whitewalls. VOC COMPLIANT.

Sizes: 1, 5 and 55 gallon

C-32 WHEEL BRIGHTENER™

This powerful, concentrated (1:1) wheel cleaner is formulated to safely clean chrome, clear coated and factory painted wheels. Simply spray on and rinse off. It quickly and effectively removes tough brake dust, metal particulates, dirt, oil, grease and other surface contaminants without scrubbing. NOT FOR USE ON ALUMINUM OR MAGNESIUM WHEELS. VOC COMPLIANT.

Sizes: 1, 5 and 55 gallon

C-42 WHEELIE CLEAN™

This powerful non-acid and non-caustic wheel cleaner safely removes brake dust, grease, dirt and oil from all types of OEM wheels (including aluminum and magnesium) without scrubbing. Simply spray on and rinse off. The highly concentrated (up to 9:1) formula effectively cleans wheels and tires at the same time. Great for manual dilution or automatic dilution/proportioner systems. VOC COMPLIANT.

Sizes: 1, 5 and 55 gallon

C-52 WHITEWALL CLEANER

Fast acting cleaner that produces outstanding results 30 seconds after application. Removes new tire mold release, blue color, scuff marks, dirt, grease and road scum from tire side walls. Concentrated for economical use. Dilutes up to 5:1 with water. VOC COMPLIANT.

Sizes: 1, 5 and 55 gallon

WHEEL & METAL POLISHES

C-50-Q ALUMINUM & MAG POLISH

Removes oxidation, accumulated brake dust and corrosion while restoring the original brilliance and luster to forged, machined, polished, rough cast, painted and clear coated aluminum & magnesium wheels. Also great for chrome, stainless steel, gold, silver, brass, bronze and copper surfaces. For hand or machine use. CONTAINS NO ACID. VOC COMPLIANT.

Sizes: Quart

Clean, polish and protect all non-coated metals like chrome, stainless steel, magnesium and nickel. Also great for softer metals like aluminum, brass, copper, silver, gold jewelry and more. Solvent base liquid goes on easy and wipes off effortlessly. Removes corrosion, oxidation, stains, rust, tarnish, water spots, tar, grease, bugs and dirt, while restoring the metal's original brilliance. Carnauba Wax and natural oils seal in deep shine with long term protection. CONTAINS NO ACID OR AMMONIA. VOC COMPLIANT.

Size: 22 oz. bottle w/flip top lid

C-90-22 ALL METAL POLISH™

C-92 GADNIUM™ METAL POLISH

A unique paste metal polish that cleans, polishes and protects all types of metal surfaces. Its easy to use "wipe on, wipe off" formula works great on chrome, stainless steel, aluminum, magnesium, brass, copper, gold, silver, nickel and other non clear coated metals. Quickly removes corrosion, oxidation, rust, tarnish, water spots and more while restoring the metal's original brilliance. Carnauba wax and natural oils seal in deep shine and offer long term protection. Also works great on non-metal surfaces such as glass, acrylic, fiberglass, marble, granite, Corian®, porcelain and more. For hand or machine use. CONTAINS NO ACID OR AMMONIA. VOC COMPLIANT.

Size: 16 oz. jar
