Gives new life to all carpeting, vinyl, plastic & artificial leather surfaces.

Burford's® Aerosol Vinyl & Carpet Color Spray revitalizes worn, stained or faded surfaces quickly and easily. AVC Spray's unique formula bonds with the material to create a tough, permanent, yet flexible coating of brilliant color that resists moisture and fading. Aerosol Vinyl & Carpet Color Spray covers stains, water spots and faded or worn areas on carpets. Also restores scratched, worn or faded areas on vinyl tops & seats, headrests, door panels, bumpers and other hard plastic surfaces throughout your auto, RV or boat.

Flexible color coating **STRETCHES** with the vinyl surface on impact.

Flexible color coating surrounds each fiber leaving carpets vibrant and resilient.

Save time and money the quick and easy aerosol spray way.

Since it is an aerosol, application is easy. Simply point and spray to rejuvenate the once vibrant color of most surfaces. There is no messy mixing or need of expensive spray equipment. Burford's® Aerosol Vinyl & Carpet Color Spray takes just minutes to dry so you can repair small areas or change the entire color of your interior in no time. Burford's® Aerosol Vinyl & Carpet Color Spray is available in a multitude of popular colors to handle almost any color matching project. Also great for restoring briefcases, purses, shoes and many other non-automotive related items.
