Application: Shake well before using. For your protection, safety glasses and rubber gloves are recommended.

Interiors: (dilute 5:1) Plastic, naugahyde and vinyl, simply spray on surface and scrub area with upholstery brush. Rinse off or wipe clean with dry cloth.

Upholstery: (dilute 9:1) Carpet, fabric or velour upholstery, mix 1 part C-54 with up to 9 parts water in a clean bucket. Create foam with high pressure hose. Apply with brush or sponge to soiled area with scrubbing or blotting action. Remove excess moisture with vacuum or sponge. Use the foam to keep from over-wetting.
