

FEELING THE NEED FOR SPEED?

HEAD FOR THE TRAK!

FAST-TRAK™ LIQUID CARNAUBA WAX

Speed and ease of use are the main objectives for P-44-H Fast-Trak™ Liquid Carnauba Wax. This liquefied paste wax is designed for new car get ready, showroom vehicles, final finish waxing and express detailing. It dries fast for an effortless wipeoff, leaving a clean surface with very little dust and no scratching. Carnauba wax and polymer resins provide a deep gloss finish with long lasting protection on any automotive paint finish. For more information on this and other PRO® Products, contact your local PRO® Distributor or the BAF Industries Sales Office at (800) 437-9893.
