C-10 ALL PURPOSE CLEANER

FEATURES AND BENEFITS

This multi-purpose cleaner is formulated with a powerful citrus base solvent that cuts through dirt, grease and grime in many different applications. This versatile, biodegradable cleaner rinses clean, leaving no oily film or residue. Concentrated up to 5:1 for many different uses. This special formulation cleans interiors and exteriors fast, easy and economically.

RECOMMENDED FOR

C-10 is designed for cleaning soiled interiors, upholstery, whitewalls, vinyl tops, door jambs and engine compartments. C-10 can also be used around the home, marina, hotels, industry, farm or wherever there are tough cleaning jobs to be done.

APPLICATION

SHAKE WELL BEFORE USING.

For your protection, safety glasses and rubber gloves are recommended while using this product. **Note: Dilute as indicated. Keep off painted surfaces , Do not apply to a hot surface or let dry on surface.**

Engine: (full strength) Spray on engine and engine compartment and let stand for 3 minutes. Rinse clean with high pressure water.

Whitewalls: (dilute 1:1) Spray on tire and let sit for 30 seconds. Agitate with whitewall brush and rinse clean.

Concrete Floor Cleaner: (dilute 2:1) Spray on surface and let sit for 1-3 minutes. Agitate with broom or brush and rinse clean.

Interiors: (dilute 3:1) Plastic, Vinyl or rubber - simply spray on surface and scrub area with upholstery brush. Rinse

off or wipe clean with dry cloth.

Upholstery: (dilute 5:1) Carpets or fabric - in a bucket, mix 1 part C-10 with 5 parts water. Apply with brush or sponge, scrubbing or blotting soiled area. Remove excess water with vacuum or sponge. Wipe off with dry, clean cloth for beautiful results.

SPECIAL NOTE

Adjust the concentrate to the existing metering device. Use the guides on the metering proportioners to set up your flow of product.
