C-14

HARD WATER SUPER SUDS

FEATURES AND BENEFITS

Super Suds is a thick, premium, high foaming car shampoo concentrate formulated for extra duty cleaning. Foam stabilizers provide longer lasting sudsing action than regular duty shampoos. Perfectly balanced to clean, but not remove existing wax or polymer coatings. Concentrated 100:1 for economy. The bottom line is this: Hard Water Super Suds gives you the best of three worlds-high suds, cleaning and rinsing ability.

RECOMMENDED FOR

C-14 Hard Water Super Suds is the perfect car wash solution for all types of automotive finishes. C-14 safely and effectively removes dirt, grease, dust, bugs, road grime and film from

cars, trucks, buses, vans etc. The ideal car wash solution for detail shops, car washes, dealerships, auto auctions, motor pools and rental lease agencies looking for higher sudsing action.

APPLICATION

Directions: Shake well before using. For your protection, safety glasses and rubber gloves are recommended while using this product. Do not apply to a hot surface or let dry on surface. Bucket Method: Wet surface of the car thoroughly. In a bucket, mix 1 to 2 ounces of concentrate to 1 gallon of water, depending on whether normal or heavy duty wash jobs are expected. Using a PRO® Wash Mitt (ML-7X9) or sponge, wash half of the car at a time while surface is still wet. Rinse car thoroughly with water to remove contaminants and

dry using a soft terry cloth towel or a PRO® Chamois (B-90). Automatic Car Wash: RTU Solution: Dilute 5 gallons of Super Suds™ to 50 gallons of water. Then set metering device to 10-to-1.

SPECIAL NOTES

For best results, use a PRO® Wash Mitt (ML 7X9) and rinse surface area with softened water. Use PRO® Chamois (B-90) to wipe down surface.

PACKAGING

GALLON/4 PER CASE
5 GALLON CUBE
55 GALLON DRUM
