ODOR-NOX™

Odor Control & Deodorant

FEATURES AND BENEFITS

S-42 ODOR-NOX™ is a totally unique concept in odor control. S-42 is a professional blend of odor neutralizers and mildew retardants to destroy unwanted odors. Odor-Nox™ eliminates stale, musty odors on contact. This slow release formula will not overpower during initial application. Does not just cover them, instead, it completely absorbs the odors and leaves a pleasant fresh fragrance. A special combination of fragrances and deodorizers, Odor -Nox™ is a real bargain! Properly used, S-42 will deodorize over 200 vehicles.

RECOMMENDED FOR

Odor-Nox™ has a permanent, neutralizing effect that eliminates even the most offensive odors from automobile interiors, households, offices, restaurants, kennels, hotels, hospitals, etc... S-42 overcomes strong odors from cigar/cigarette smoke, food, pets, pollution and other unwanted odors.

APPLICATION

SHAKE WELL BEFORE USING. For best results, clean area prior to application. Apply S-42 directly to the affected area. May apply Odor-Nox™ by spraying, mop-

ping, sponging, or saturating the surface. Use warm, not hot water.

SPECIAL NOTES

PRO® Distributors are finding new uses and places for Odor-Nox™ all the time. S-42 may also be used as an air freshener and can be added to an extractor. Use AOT Aerosol Odor Terminators for aerosol convenience.
