S-78

WET 'N WIPE™

Speed Glaze

FEATURES AND BENEFITS

S-78 Wet' N Wipe™ Speed Glaze is a high gloss liquid speed glaze designed for use on pre-cleaned wet exterior surfaces. Effectively creates a quick water breaking action which significantly reduces drying time and water spotting. Simply mist on wet surface and wipe to a high gloss shine with a chamois or a damp micro-fiber towel. Excellent results on all types of paint finishes, plastic, chrome and glass surfaces. S-78 Wet' N Wipe™ Speed Glaze is safe on rubber side moldings and trim without hazing. Contains no abrasives or solvents. VOC Compliant. Includes super lemon fragrance.

RECOMMENDED FOR

S-78 Wet' N Wipe™ effectively breaks water from a pre-cleaned surface reducing drying time. With its non-hazing formula S-78 Wet' N Wipe™ leaves the surface with depth, clarity, and a high gloss shine. S-78 Wet' N Wipe™ ready to use formula is great for car washes, detail shops, body shops, dealerships, and auto auctions. S-78 Wet' N Wipe™ effectively reduces drying time leaving a great shine behind.

APPLICATION

Directions: Shake well before using. For your protection, safety glasses and rubber gloves are recommended while using this product.

Lightly mist S-78 Wet' N Wipe onto a pre-cleaned, wet surface and wipe to a high gloss with a chamois or damp micro-fiber towel.

SPECIAL NOTES

Note: S-78 Wet' N Wipe™ is to be used as a surface enhancer. Do not dilute. Do not apply to a hot surface or let dry on surface. If streaking occurs, too much product is being applied.
