GLASS CLEANER

Product Description:

PRO® Glass Cleaner is specially designed to be used all year round. This non-streak formula is great for use on windows, mirrors, windshields and other glass surfaces. Also, great on stainless steel and metal surfaces. Heavy-duty foam clings to vertical surfaces and dissolves dirt, fingerprints, smoke film and grime. Leaves a film free and streak proof surface for optimum visibility. Contains no ammonia so it is safe for tinted windows. Clean, fresh fragrance. VOC COMPLIANT.

Product Details:

Biodegradable
VOC Compliant
Water Base
Body Shop Safe
Ready To Use
NPE Free
Phosphate Free
Color: White Foam
Fragrance: Fresh

Packaging:

20 oz. Can: AGC-18

Features & Benefits:

All Season Formula
Leaves Glass, Mirrors and Windshields Streak Free and Sparkling Clean
Contains Perfume-Grade Alcohol for Best Performance
Ammonia-Free - Safe for Tinted Windows

Application: *Shake well before using. Read label before use. See SDS for more information.*

Glass Cleaner: Hold can in upright position, 8-12 inches (20-30 cm) from surface. Point opening of spray button toward object to be cleaned. Press spray button firmly and spray area liberally until wet with foam. Using a two towel method, use a clean, dry lint-free cloth or glass microfiber towel to wipe the glass immediately from outside edges first. Using a dry towel, turn cloth often and wipe until surface is dry.

Helpful Tips:

Keep from freezing (32 °F/0 °C). For best results, can and material should be at room temperature, 70°F - 90°F (21° - 32°C). Do not apply to hot surface or let dry on surface. When cleaning windows, use horizontal strokes on one side and vertical strokes on the other. If a spot is missed, it's easy to pinpoint which side of the window it is on.

Safety Data Sheet:

GHS Compliant. SDS can be found online at www.prowax.com.
