RINSELESS WASH & GLOSS

Product Description:

Highly concentrated, eco-friendly, rinse-free car wash solution. Formulated with high gloss polymers that bond to the paint and encapsulate dirt and debris, effectively pulling contaminants from the surface. Offers the highest in lubricity keeping the surface wet and making the finish slick for protection against scratching. Leaves a clean, sleek, hydrophobic, high gloss finish. Designed for use on all vehicle surfaces including ceramic coated paint finishes, non-coated paint, fiberglass, plastic, glass, gel coat, vinyl, trim, paint protection film, and more. Can be diluted to make an excellent waterless wash, clay bar lubricant, water softener, and gloss enhancer. 100% biodegradable, water-soluble formula that uses minimal water and require no rinsing. Meets all water usage laws established by the federal Clean Water Act and the EPA (Environmental Protection Agency). NON-TOXIC. NPE- FREE. PHOSPHATE-FREE. NON-WAX. NON-SILICONE. VOC COMPLIANT.

Product Details:

Biodegradable
Non-Flammable
Ready To Use
VOC Compliant
Water Base
NPE Free
Phosphate Free
pH: 7
Color: Pink
Fragrance: Cherry

Packaging:

Quart: C-1-Q

Features & Benefits:

Faster, Easier Washing
Uses Minimal Water; Requires No Rinsing
Eco-Friendly; Meets All Water Usage Laws Established By The Federal Clean Water Act & EPA
5 Products in 1

Application: *Shake well before using. Read label before use. See SDS for more information.*

Rinseless Wash: Dilute 1-2 oz. of Rinseless Wash & Gloss per 2 gallons of water in a bucket. Soak a plush microfiber wash mitt into the Rinseless Wash & Gloss solution and wash one section at a time until completely clean. Dry the section using two clean plush microfiber towels. Lightly wipe the first towel over the panel then follow with the second towel to ensure a high gloss, streak-free shine. Excessively dirty areas may require an additional wash.

Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not apply in direct sunlight or onto a hot surface.

Safety Data Sheet:

GHS Compliant. SDS can be found online at www.prowax.com.
