CYCLONE™ ENZYME CLEANER

Product Description:

A multi-surface cleaner designed for use with the Tornador® Cleaning Tool. This ready to use cleaner contains Protease enzymes to break down protein-based stains such as food, grass, soil, blood and pet stains and helps remove them permanently. Also effective for eliminating odors caused by dampness, mildew, mold, food, urine and organic matter. Penetrates the surface to lift and suspend soil, even old stains. Cyclone™ Enzyme Cleaner is a stain remover, enzyme digestant and deodorizer recommended for spot cleaning and deodorizing carpet, fabric, upholstery, textiles, vinyl and synthetics. Can be used as pre-spot treatment before shampooing on tough protein spills like blood, eggs and milk. Leaves no tacky film or residue. VOC COMPLIANT.

Product Details:

Non-Flammable
Biodegradable
VOC Compliant
Water Base
Body Shop Safe
Ready To Use
Phosphate Free
NPE Free
pH: 7.0
Color: Green
Fragrance: Citrus

Packaging:

Gallon: C-11
5 Gallon Cube: C-11-5

Features & Benefits:

Multi-Surface Cleaner Designed For Use With Tornador® Cleaning Tool
Helps Break Down Protein Based Stains
For Use On Carpets, Upholstery, Fabrics, Consoles & Dashboards
Low Foaming, pH Balanced

Application: *Shake well before using. Read label before use. See SDS for more information.*

Tornador® Cleaning Tool: Add 32 oz. of Cyclone™ Enzyme Cleaner to the 1000 line on Tornador® cup. Turn liquid/air switch to upright position to deliver the solution to nozzle. Hold cleaning nozzle 1-3 inches from area to be cleaned. Depress trigger and move nozzle in an overlapping motion over the affected area until clean. Turn the liquid/air switch to down position. Using just air, depress trigger and move nozzle over the treated area until dry. Follow with soft, clean towel.

Quart (32 oz.) Spray Bottle: Fill quart container with Cyclone™ Enzyme Cleaner. Attach trigger sprayer and lightly shake. Pre-vacuum or dry brush area to be cleaned. This will help separate cloth fibers. Spray affected area and let dwell 2-3 minutes. Use preferred method to agitate or use Tornador® Cleaning Tool.

Optional Step for Rinsing: Fill Tornador® Cleaning Tool cup with water only and proceed with rinsing followed by air drying step.

Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not apply to hot surface or let dry on surface.

Safety Data Sheet:

GHS Compliant. SDS can be found online at www.prowax.com.
