REACTIVE™ IRON & BRAKE DUST REMOVER

Product Description:

Reactive™ is an advanced pH-balanced, non-corrosive cleaner formulated for fast and effective removal of iron deposits and brake dust from all painted finishes and steel, chrome, alloy & clear coated wheels. Reactive™ targets iron-based contamination and safely breaks it down for quick removal. Ready to use, Reactive™ sprays on clear, but turns purple as it comes into contact with iron particles. Contaminants can then be rinsed freely from all exterior surfaces. Lemon fragrance. VOC COMPLIANT.

Product Details:

Non-Flammable
Ready To Use
Biodegradable
VOC Compliant
Water Base
Body Shop Safe
Phosphate Free
pH: 6
Color: Light Yellow
Fragrance: Lemon

Packaging:

Quart: C-44-Q
Gallon: C-44

Features & Benefits:

Quickly Removes Iron Particle Fallout and Brake Dust
For All Painted Finishes and Chrome, Alloy & Clear Coated Wheels
Acid Free & pH Neutral
Contaminants Change to Purple Color

Application: *Shake well before using. Read label before use. See SDS for more information.*

If surfaces are hot, cool surface with cold water rinse before applying product. Apply using a pistol sprayer or a tank sprayer. Spray on surface and let sit for 1-3 minutes while contaminants change to purple color. Light agitation with brush or sponge may be necessary on excessively dirty surfaces. Rinse clean with high pressure water. Leaves a clean and bright finish. Wipe dry with clean towel or blow dry with air hose.

Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not apply to a hot surface or let dry on surface.

Safety Data Sheet:

GHS Compliant. SDS can be found online at www.prowax.com.
