SMOKE & ODOR ELIMINATOR™

Product Description:

Removes tobacco stench and other unwanted odors trapped in carpeting, upholstery and fabrics. It does not cover up odors like a mask. Instead, it wipes out odor at the molecular level. Its patented active ingredient neutralizes and destroys recurring unpleasant odors. Great for autos, boats, airplanes, RV's, homes, restrooms, restaurants, kennels and more. Safe for use on most surfaces and leaves a clean, neutral fragrance. VOC COMPLIANT.

For Auto, Home & Office Use

Application: *Shake well before using. Read label before use. See SDS for more information.*

Spraying: Apply Smoke & Odor Eliminator™ directly to affected area with a sprayer using a criss-cross pattern to ensure product makes contact with bacteria embedded in fibers. Use a fine mist when applying to headliners to avoid saturation. After application, close area to ventilation (close windows in vehicles) for 30-60 minutes and allow to dry. Once product & fragrance have dissipated (24 hours), Smoke & Odor Eliminator™ has performed its job, removing the malodor. Reapply product as needed.

HVAC Treatment: Start engine, turn on A/C and set fan to high with fresh air vent open. Spray 2-3 pumps into all fresh air intakes located outside the vehicle, usually below the windshield wipers. Turn on heat and repeat process.

Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not spray on dash controls or clear plastic instrument panels. For best results, clean area to be treated thoroughly, removing all residues and excess moisture with a wet/dry vacuum.
