

Product Bulletin

#1 POLISH™

Product Description:

One-step cleaner, polish and wax, formulated to remove fine scratches, buffer marks and light oxidation, while leaving a swirl-free, glass-like finish. Contains amino functional silicones and Carnauba Wax for long term, high gloss protection. Safe for all types of paint finishes. For hand or machine use. VOC COMPLIANT.

Product Details:

VOC Compliant
NPE Free
Phosphate Free
pH: 8.4
Color: Pink
Fragrance: Floral

Packaging:

Pint: P-31-P
Gallon: P-31

Features & Benefits:

One-Step Cleaner, Polish and Wax Specially Formulated for Clearcoat Paint Finishes
Micro Cleaning Agents Remove Fine Scratches, Buffer Marks & Light Oxidation
Carnauba Wax and Polymers Add High Gloss, Long Term Protection
Safe on All Types of Paint Finishes

Application: *Shake well before using. Read label before use. See SDS for more information.*

Hand Use: Apply product to a clean microfiber wax applicator and spread evenly over small area of painted surface, rubbing well in a circular motion. Let dry to a haze (about 2 min.) and wipe off with a clean, microfiber towel. Polish by hand to a high gloss, turning towel while wiping down.

D/A Polisher: Use a PRO® YU-6 Yellow Polish/Finish Pad. For more aggressive action, use a PRO® BW-6 Black/White Microfiber Polish Pad. Apply product to pad. Set D/A polisher speed to 4-5. Turn on polisher and buff with adequate pressure, spreading product evenly over surface. As product disappears, reduce pressure and polish to a glossy finish. Clean pad often to remove contaminants.

High Speed Buffer: Use a RV-85-C Charcoal Foam Polish Pad. Apply product to pad and spread evenly over small area of paint surface before buffing. Buff with adequate pressure at 1500-2300 rpm. As product disappears, reduce pressure and polish to a high gloss finish. Clean pad often to remove contaminants. For added protection, finish with PRO® P-36 Cherry Finishing Wax™, P-63-Q Poly Gard™ or P-82 Carnauba Creme Wax™.

Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not apply in direct sunlight or onto a hot surface. Polish one section at a time.

Safety Data Sheet:

⚠️WARNING: Reproductive Harm - www.p65Warnings.ca.gov. GHS Compliant. SDS can be found online at www.prowax.com.
