CHERRY FINISHING WAX™

Product Description:

This easy to use, final finish creme wax combines Brazilian Carnauba Wax and natural oils that produce an ultra rich, deep gloss shine. The unique cationic/carnauba formulation provides instant water repellency, anti-static properties and extended protection that lasts 3 to 4 months. Safe for all types of paint finishes. For hand or machine use. VOC COMPLIANT.

Product Details:

VOC Compliant
NPE Free
Phosphate Free
pH: 4.9
Color: Pink
Fragrance: Cherry

Packaging:

Pint: P-36-P
Gallon: P-36

Features & Benefits:

Final Finsih Creme Wax
Made With #1 Grade Brazilian Carnauba
Produces an Ultra Rich, Deep Gloss Shine
Provides Instant Water Repellency and Anti-Static Properties
Wild Cherry Fragrance

Application: *Shake well before using. Read label before use. See SDS for more information.*

Hand Use: Apply product to a clean microfiber wax applicator and spread evenly over small area of painted surface, rubbing well in a circular motion. Let dry to a haze (about 1 min.) and wipe off with a clean microfiber towel. Polish by hand to a high gloss, turning towel while wiping down.

D/A Polisher: Use a PRO® WU-7-C D/A White Finish Pad. Apply product to pad. Turn on polisher and buff with adequate pressure, spreading product evenly over surface. As product disappears, reduce pressure and polish to a high gloss finish. Clean pad often to remove contaminants.

High Speed Buffer: Use a PRO® WV-85-C White Foam Finish Pad. Apply product to pad and spread evenly over small area of paint surface before buffing. Buff with adequate pressure at 1200-2000 rpm. As product disappears, reduce pressure and polish to a high gloss finish. Clean pad often to remove contaminants.

Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not apply in direct sunlight or onto a hot surface. For best results, pre-clean finish to remove contaminants and to condition paint. Polish one section at a time.

Safety Data Sheet:

GHS Compliant. SDS can be found online at www.prowax.com.
