## FAST-TRAK™

### Product Description:

Easy to use, liquid paste wax is designed for new car get ready, showroom vehicles, final finish waxing and express detailing. Dries fast for the quickest and easiest detail available. Carnauba wax and polymer resins provide a deep gloss finish with long lasting protection. Works great on all automotive paint finishes. For hand or machine use. VOC COMPLIANT.

### Product Details:

VOC Compliant  
NPE Free  
Phosphate Free  
pH: 7.0  
Color: Yellow  
Fragrance: Floral

### Packaging:

Gallon: P-44

### Features & Benefits:

Great for Express Detailing  
Makes Hand Waxing Quick & Easy  
Carnauba Wax and Acrylic Polymers Provide Long Lasting Protection  
Produces a Deep Gloss Finish

**Application:** *Shake well before using. Read label before use. See SDS for more information.*

**Hand Use:** Apply product to a clean microfiber wax applicator and spread evenly over small area of painted surface, rubbing well in a circular motion. Let dry to a haze (about 1 min.) and wipe off with a clean microfiber towel. Polish by hand to a high gloss, turning towel while wiping down.

**D/A Polisher:** Use a PRO® YU-6 Yellow Polish/Finish Pad. Apply product to pad. Turn on polisher and buff with adequate pressure, spreading product evenly over surface. As product disappears, reduce pressure and polish to a high gloss finish. Clean pad often to remove contaminants.

### Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not apply in direct sunlight or onto a hot surface. For best results, wash vehicle exterior using PRO® C-60 Super Car Wash. Pre-clean finish using C-105 Clay Away™ and S-74 Wipe-out™ for lubrication. Follow with P-21 Swirl Eliminator™ & Polish to remove minor contaminants and to condition paint. Polish one section at a time.

### Safety Data Sheet:

GHS Compliant. SDS can be found online at [www.prowax.com](http://www.prowax.com).
