## FANTASTIC™ PLASTIC POLISH

### Product Description:

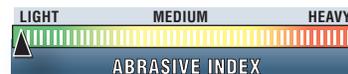

All purpose liquid plastic polish formulated to clean, shine and protect smooth plastics and clear plastics. Removes yellow film, cloudy streaks, hairline scratches, haziness and halos from the most sensitive plastics. Fantastic™ Plastic Polish protects new and old plastic surfaces against further deterioration from harsh elements such as sun, smog, rain, snow, road debris, grime, salt, chemicals and airborne contaminants. Fantastic™ Plastic Polish provides a static-free coating that repels water and dust. Safe and effective on both acrylic (Plexiglas®, Lucite®) and poly carbonate (Lexan®) surfaces. Also, great on non-plastic surfaces such as Corian®, painted enamel, Formica®, linoleum, marble and porcelain. VOC COMPLIANT.

### Product Details:

VOC Compliant  
NPE Free  
Phosphate Free  
pH: 7.7  
Color: White  
Fragrance: Aromatic

### Packaging:

Pint: P-58-P

### Features & Benefits:

Cleans, Polishes & Protects All Types of Plastics  
Removes Yellow Film, Cloudy Streaks, Hairline Scratches & Hazing From Clear, Smooth Plastics  
Excellent on Headlights, Taillights, Bug Deflectors, Instrument Covers & Motorcycle Windscreens

**Application:** *Shake well before using. Read label before use. See SDS for more information.*

**Hand Use:** Apply product to a clean microfiber wax applicator and spread evenly over small area of surface, rubbing well in a back and forth motion. Applying firm pressure, work product thoroughly into the surface until product has almost disappeared. Wipe off with a clean, microfiber towel. Polish by hand to a high gloss, turning towel while wiping down.

**D/A Polisher:** Use a PRO® YU-6 Yellow Polish/Finish Pad. Apply product to pad. Turn on polisher and buff with adequate pressure, spreading product evenly over surface. As product disappears, reduce pressure and polish to a high gloss finish. Clean pad often to remove contaminants.

### Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not apply in direct sunlight or onto a hot surface.

### Safety Data Sheet:

GHS Compliant. SDS can be found online at [www.prowax.com](http://www.prowax.com).
