

P-7-Q Allura™ Medium Cut Compound

Allura™ Medium Cut Compound is designed for machine use on all paint systems to level wet sand scratches, orange peel, overspray and oxidation.

This fast cutting abrasive cream is formulated with synthetic micro abrasives to quickly and safely remove 1500-2000 grit sand scratches, overspray, water spots and other paint defects. Produces very little dust, so clean up is fast and easy. Leaves a clean, glossy surface that is ready for polishing. Safe for all OEM and refinish paints. Light blue in color with bubble gum fragrance. For machine use only. BODY SHOP SAFE. CONTAINS NO SILICONE OR WAX. VOC COMPLIANT.

- Use a high speed buffer with a VA-80-C PRO® 50/50 Wool/Acrylic Light Compound Pad or OV-85-C PRO® Eliminator™ Orange Foam Compound Pad
- Use a D/A polisher with a BU-7-C PRO® Blue Compound Pad
- Follow with P-8-Q Allura™ Finish Glaze or P-9-Q Allura™ Final Finish Wax to seal in depth and clarity with long term protection
