## SHEETZ™ HYDROPHOBIC RINSE AID

### Product Description:

This innovative ready to use high gloss, liquid rinse aid is designed for use on pre-cleaned, wet exterior surfaces. Spray directly onto soap suds to sheet water and soap suds from all surfaces. Creates an instant water breaking action, significantly reducing drying time. Eliminates water spotting and creates a streak-free shine on any painted finish. Sheetz™ leaves the surface with depth, clarity and a high gloss shine. Excellent results on all painted, plastic, chrome and glass surfaces. Safe for rubber side molding and trim with no hazing or whitening. Grape fragrance. CONTAINS NO CLEANERS OR SOLVENTS. VOC COMPLIANT.

### Product Details:

Biodegradable  
Non-Flammable  
Ready To Use  
VOC Compliant  
NPE Free  
Phosphate Free  
pH: 6.5  
Color: Purple  
Fragrance: Grape

### Packaging:

Gallon: P-78  
5 Gallon: P-78-5  
55 Gallon: P-78-55

### Features & Benefits:

Spray On - Rinse Off Formula  
Quick Water Breaking Action Reduces Drying Time & Eliminates Water Spots  
Leaves Surface with a Deep, High Gloss Shine  
Use on Painted, Plastic, Chrome and Glass Surfaces  
Instant Sheeting Action

**Application:** *Shake well before using. Read label before use. See SDS for more information.*

**Directions:** For best results, wash vehicle exterior using PRO® C-60 Super Car Wash and leave surface wet with soap suds. Using a trigger sprayer, apply Sheetz™ by misting directly onto wet exterior surfaces. Rinse off with high pressure water. Wipe down treated surfaces with a clean, damp chamois or microfiber towel to remove any excess water. Use a clean, dry microfiber towel to buff surface to a high gloss.

### Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not apply in direct sunlight or onto a hot surface.

### Safety Data Sheet:

GHS Compliant. SDS can be found online at [www.prowax.com](http://www.prowax.com).
