## LEATHER LOTION™

### Product Description:

A rich, creamy conditioner and preservative designed to restore and conserve fine leather. Leather Lotion™ is non-greasy and will not attract dust. Its pH balanced, non-silicone formula safely penetrates and feeds leather with lanolin and other natural moisturizers. Protects against damaging heat and ultraviolet rays. Provides lasting, effective lubrication necessary to keep leather feeling soft and smooth. Ready to use Leather Lotion™ is also safe for use on rubber, vinyl and plastic. Contains a genuine leather fragrance.

CONTAINS NO SILICONE. BODY SHOP SAFE. VOC COMPLIANT.

### Product Details:

Biodegradable

Body Shop Safe  
Ready To Use  
VOC Compliant  
Non-Silicone  
NPE Free  
Phosphate Free  
pH: 7.0  
Color: White  
Fragrance: Leather

### Packaging:

Pint: S-44-P  
Quart: S-44-Q  
Gallon: S-44

### Features & Benefits:

Premium Conditioner & Preservative  
Designed to Restore and Conserve Fine Leather  
Lanolin and Other Natural Moisturizers Keep Leather Feeling Soft and Smooth  
Dries Completely With No Tacky Residue

**Application:** *Shake well before using. Read label before use. See SDS for more information.*

Apply Leather Lotion™ using a dressing applicator or sponge. Wipe a thin coat onto surface and rub in well, until no product remains. Buff treated area with a clean, dry towel to remove any excess material. Turn cloth while wiping down. Some newer leather surfaces may have a vinyl laminate which may limit penetration. In such cases, simply wipe away excess, leaving a soft, lustrous finish.

### Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not use on vehicle controls (pedals, grips, steering wheels). Not for use on suede, buckskin or fabric. For best results, pre-clean dirty leather surfaces with PRO® C-12 Leather Cleaner.

### Safety Data Sheet:

GHS Compliant. SDS can be found online at [www.prowax.com](http://www.prowax.com).
