

Product Bulletin

PREMIUM BLUE™ DRESSING

Product Description:

This multi-purpose, solvent base dressing utilizes high viscosity silicones to produce a rich, long lasting, high gloss shine on rubber, plastic and vinyl surfaces. Formulated with slow dry solvent to provide excellent coverage. Works great on interiors and exteriors. Fresh fruit fragrance. VOC COMPLIANT.

Product Details:

Non-Flammable
Ready To Use
VOC Compliant
Solvent Base
NPE Free
Phosphate Free
Color: Blue
Fragrance: Fruit

Packaging:

Pint: S-86-P
Gallon: S-86
5 Gallon Cube: S-86-5
55 Gallon Drum: S-86-55

Features & Benefits:

Premium Solvent Base Formula Offers High Gloss & Long Lasting Durability
Revitalizes Rubber, Plastic & Vinyl
Spray On or Wipe On Application

Application: *Shake well before using. Read label before use. See SDS for more information.*

Tires-Wheel Wells: For a high gloss appearance, use a sprayer and apply product evenly on a pre-cleaned, dry surface. Allow 3-5 minutes for product to dry. For less gloss, apply using a dressing applicator. Wipe on pre-cleaned surface and let dry. Older, porous surfaces may require a second application.

Rubber-Plastic-Vinyl: Using a dressing applicator, wipe on pre-cleaned surface and let dry.

Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not use on clear plastic (instrument panels), vehicle controls (pedals, grips, steering wheels). Allow to dry on tires before moving vehicle to avoid product “sling” onto body panels, as staining may occur. Not recommended for use on engine compartments.

Safety Data Sheet:

GHS Compliant. SDS can be found online at www.prowax.com.
