Non-Flammable
Ready To Use
Body Shop Safe
VOC Compliant
Water Base
Phosphate Free
pH: 8.8
Color: Blue
Fragrance: Bubble Gum

Packaging:

Gallon: S-95
5 Gallon Cube: S-95-5
55 Gallon Drum: S-95-55

Features & Benefits:

High Gloss Water Base Dressing & Protectant
Natural Oils Yield a Brilliant Shine Without the Worry of Airborne Silicones
Restores the New Look to Rubber, Plastic & Vinyl Surfaces
Contains No Silicone or Solvent, Eliminating Fisheye & Fire Hazards

Application: *Shake well before using. Read label before use. See SDS for more information.*

Tires-Wheel Wells-Engines: For a high gloss appearance, use a sprayer and apply product evenly on a pre-cleaned, dry surface. Allow 3-5 minutes for product to dry. For less gloss dilute 1:1 with water, apply using a dressing applicator. Wipe on pre-cleaned surface and let dry.

Rubber-Plastic-Vinyl: Using a dressing applicator, wipe on pre-cleaned surface and let dry.

Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not use on clear plastic (instrument panels), vehicle controls (pedals, grips, steering wheels). Before driving vehicle, wipe off any excess material on tires to avoid unabsorbed product from slinging off tires onto body panels.

Safety Data Sheet:

GHS Compliant. SDS can be found online at www.prowax.com.
